## Aloha Guest Manager

Providing a memorable guest experience will set you apart from your competition and keep your customers coming back. The new innovative Aloha Guest Manager solution intelligently tracks table status, reduces the time that tables are left unseated, maximizes seating efficiency and captures key guest information to help you provide personalized service. It offers **reservation management, waitlist management, table management** and **guest tracking** that is synchronized in one tightly integrated solution with the Aloha POS.

Aloha Guest Manager helps table service restaurant operators:

- Increase host productivity
- Increase seat utilization and seat more guests
- Capture and respond to guest requests and preferences
- Provide accurate wait quotes to reduce the risk of frustrated guests

*Aloha*  
**Operations**
